A GRADE COACHING ANNOUNCEMENT

PETER ROLFE TO COACH IN 2024 AND BEYOND

The club is excited to announce a 6 month search for an A grade coach has led to the successful appointment of Peter Rolfe in this role for 2024. When Buckets took the helm in 2022, it was always intended to be a 2 year appointment with a strong focus on bringing our exciting junior cohort up to senior football as quickly as possible. Whilst wins have been hard to come by this season, there is plenty to be excited by given the volume of good young players coming through but patience is key in that process. Since the start of 2022, Buckets has debuted 19 Under 21's for a combined total of 105 games.

With plans to settle down at a country footy club with a longer term view, Peter, his wife Liz and daughter Elanor have been up to Kapunda on a number of occasions and are really looking forward to becoming part of the Bomber family. Peter comes from Alice Springs, moving down to Adelaide to pursue a football career with South Adelaide where he played 140 games of league/reserves up until 2017. He is very aware of our clubs current position and can't wait to get to work, putting together his support team and complimenting our current list with a number of recruits. Buckets will work with Rolfe at the back end of season for a seamless transition whilst ensuring we get everything we can from the remaining 6 games in 2023. Thank you to Buckets and Rolfe and their families for supporting the Kapunda Football Club.
