## ROUND 17

V ANGASTON | 26 AUGUST 2023

Welcome to the last home game of the 2023 season! Today the Angaston Panthers have ventured from the eastern side of the Barossa.

Today will be a day of mateship and tall stories with the 1973 Senior Colt & B Grade Premiership teams celebrating their 50 year Reunion. If you get a chance head over to the deck and have a yarn with the group. Thank you Richi and Goose Mickan for organising the day.

Isaac Chappell has put together a season recap for our last home game, thanks Isaac!

Tonight, we have the last night of Chase the Joker and Wes has assured us that there will be a winner! We will also have Chicken and Beef Schnitzels available so be sure to hang around for the last home game of Season 2023!

Isaac Chappell puts this together each week with the support of Rupert Farley, George Mackenzie and Eddie Verco. We asked Isaac to share his thoughts on the 2023 season for todays last home game.

## **Under 13s:**

*A balanced season, with a few wins and a few losses. They have improved a lot, as they almost beat South Gawler (who are top of the ladder for their grade).*

## **Under 15s:**

*They were a sign of hope early on, but sadly have gone in a downwards spiral recently. The 15s have had A LOT of close games, some they won, some they lost.*

## **Under 17s:**

*These young men have been the stars of this season for the Bombers. Hopefully they can take out this year's premiership, as they are third (at time of writing). Tell you what, if some of them don't make at least the SANFL, the talent selectors are crazy.*

## **B Grade:**

*A par season (as they would say in golf), although they can hopefully end up with 9 wins. They might not make it to the finals, but it will be close. B grade are full of surprises.*

## **A Grade:**

*Well, they tried their best with lots of injuries playing a factor. They will probably be last on the ladder, but let's think positively. They won a game (at time of writing)! Hopefully next season, under a new coach, they can win a few more games and make finals. Especially with the exciting young talent that coach Buckets nurtured this year.*

## MERCHANDISE

More Zipped Jumpers have arrived and we have plenty of short and long sleeve warm up tops available! Today in the clubrooms we will have merchandise available for purchase.

**Merchandise Store open in Clubrooms between:
